

# About Middlesex Academy for the Performing Arts

Middlesex Academy for the Performing Arts (MAPA) provides a blend of education, training, and performing experience to enhance the understanding and enjoyment of the performing arts for people of all ages. The performing arts inspire creative spirit, teach discipline, improve self-confidence, and help individuals set and reach personal goals. MAPA provides a dynamic environment for those just beginning their creative journey as well as for advanced students of the performing arts.

# The MAPA Experience

*For the last several years, thanks to MAPA, our daughter has had voice and dance lessons from highly qualified professionals. They are experts in their fields, passionate and nurturing. The enthusiasm and energy your instructors bring to each and every lesson is positively infectious.* — MAPA Parent

*Every time I'm in a MAPA play, I get more confident — not just on stage, but everywhere.* — MAPA Student

*Kayt's (dance instructor) experience, passion and enthusiasm have directed our daughter's growth as a dancer and a person. Kayt is a great role model.* — MAPA Parent

*I made a lot of new friends in MAPA, and we had lots of fun. It really felt satisfying to perform in front of everyone. It made me happy to hear all the applause.* — MAPA Student

*Our daughter's MAPA class wasn't just great for her — it was great for us, too. While we were working on sets, we got to know the other actors and their families. The shows became a real community experience for us. We were really sad when the last performance was over!* — MAPA Parent
